If any of the products are defected or failed under normal operation within the warranty period Union Land will replace or repair within reasonable time. Union Land will not be responsible for the cost of labor, or for removal of, nor the cost of labor for the installation of repaired or replacement parts. These limited warranties do not cover defects that are merely cosmetic. e.g. scratches, dents, fading of colors and discoloration of wood due to weathering, and representations by any person, including any implied warranty of merchantability or fitness. Buyer, by acceptance and use of this warranty, agrees that it waives any right it may have to claim or assert that this limited warranty fails of its essential purpose. Buyer agrees venue for any action shall be in San Francisco in the State of California. Warranty claims must be filled within the applicable warranty period and accompanied by a copy of the original invoice.

ASTM

ASTM is the scientific and technical organization chiefly responsible for developing standards for testing different materials. In 1993, the ASTM published Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use, designated as F1487-93. The standard was reprinted in 1995 and 1998, and revised in 2001 with the new designation F1487-01. It is this standard that establishes minimum acceptable performance specifications for everything from swing to surfacing.

CPSC

The Consumer Product Safety Commission is an independent agency within the United States Federal Government with the authority to inform the public of Government with the authority to inform the public of current product safety performance information and recommended practices. The CPSC first published their guidelines for public playgrounds in 1987 and have updated their publication several times over the past 19 years. The current CPSC Handbook for Public Playground Safety. Publication #325, is an excellent guide for owners and operators of public play environments.

TUV

TUV Product service, an international testing and certification organization, is a European Union recognized, competent body providing services which include product testing and certification. The statements "Safety tested", "EN 1176", and "Production monitored" indicate that these products have passed a comprehensive testing procedure based upon the European Harmonized Standard for Commercial Playground Equipment, EN 1176, and that the Union land manufacturing plant is regularly monitored by TUV.

CSA

The Canadian Standards Association (CSA) document, a guideline on Children's Play Spaces and Equipment, published in 1998, contains recommendations on technical requirements and practices applicable to design, manufacture/construction, installation, maintenance, and inspection of children's

ADA

Access Board (The United States Architectural and Transportation Barriers Compliance Board) has completed Accessibility Guidelines for Play Facilities as set forth in the Americans with Disabilities Act of 1990.

ISO9001

ISO9001 is a quality management system to provide industries with a structure to ensure all operational processes are consistent and effective. It involves the most rigorous standards possible in the ISO9001 family of standards and covers quality processes for both design and manufacturing. ISO9001 certification combines with our documents safety requirements for ASTM, CPSC and ADA.

ISO14001

ISO14001 is an environmental management program covering environmental management tools and systems.

This level of certification establishes the highest level of corporate commitment to the prevention of pollution and fosters a cultural change toward environmental management practices.

The International Play Equipment Manufacturers Association. IPEMA is a member-driven international trade organization which represents and promotes on the open market for manufactures of play equipment for use in public play spaces.

SiteScapes, Inc.

Terms and Conditions of Sale

ORDER ACCEPTANCE: All order requests must be made in writing via a signed purchase order and are subject to SiteScapes, Inc. approval. **No verbal orders will be accepted.**

PRICES: All prices are FOB Lincoln, NE and are in U.S. dollars. Shipping charges are not subject to discounts and all out of state (Non-Nebraska) taxes are the responsibility of the buyer.

PURCHASE ORDER TERMS: All terms and conditions of any purchase order issued by the buyer which are inconsistent, additional, or contradictory to the terms set forth here will be considered null and void.

CANCELLATION: All cancellations must be issued in writing by the buyer and must be accepted by an authorized SiteScapes, Inc. representative. Cancellations are subject to a 30% - 100% charge based on the costs incurred by SiteScapes, Inc. at the time of cancellation. **No custom products can be canceled or returned.**

RETURNS: No returns will be accepted without prior written authorization from SiteScapes, Inc. A return of a standard product is subject to a restocking fee of 30% - 100%. Returned product must be received in the same condition as it was originally shipped and must be shipped with freight charges prepaid by the buyer. **Custom products cannot be returned.**

FREIGHT: Freight charges as determined by the carrier are prepaid and added to the invoice. These charges may include packaging and handling charges. Shipping weights are approximate. **Carriers are NOT responsible for unloading or positioning of any product.** Lift gates and other delivery arrangements can be made prior to shipping at additional costs. Any modifications to the specified delivery address after the product(s) has shipped will be subject to re-consignment charges.

LOSS / DAMAGE: SiteScapes, Inc. is not responsible for loss or damage in transit. Freight carriers are agents of the customer. Claims must be filed with the carrier. **Be sure to fully inspect all products and note any shortages or damage on the freight bill prior to signing. Be sure the truck driver signs the freight bill after any damage or shortages are noted.**

MATERIALS / FINISHES: Materials include recycled steel, stainless steel, and cast iron. Finishes include powder coat, galvanized, DuraCoat, and various stainless steel brush finishes. **All powder coat and DuraCoat finish products are sandblasted prior to application.**

SPECIFICATIONS: SiteScapes, Inc. reserves the right to discontinue or change the design specifications of all products, and to ship the revised product without notice when such changes have been made.

LIMITED WARRANTIES

Powder coat: Powder coat products are warranted against defects in material or workmanship for a period of one year.

DuraCoat: DuraCoat products are warranted against defects in material or workmanship for a period of five years.

Stainless Steel / Galvanized: Stainless steel and galvanized products are warranted against defects in material or workmanship for a period of five years.

Structural Warranty: All products are warranted against defects in structural integrity for a period of ten years. This warranty does not cover product subjected to the following conditions.

SiteScapes warranties do not cover any defects or failures resulting from vandalism, negligence, accidents, abuse, lack of maintenance, or improper use or installation. In addition, SiteScapes will not cover any defects or failure due to product that has been tampered with or altered, modified or repaired by anyone not previously approved by SiteScapes.

SiteScapes, Inc. liability and the buyer's remedy under these warranties are limited to the repair, replacement or refund of the purchase price, at SiteScapes option, of products determined in SiteScapes reasonable judgment to be defective in workmanship or materials. SiteScapes will not be held responsible for the costs incurred in labor to remove, install, or replace the alleged defective product. **In addition, SiteScapes will not be held liable for ANY damage or injury as a result of product not that is not permanently anchored in place or not anchored properly.**
